ADVOCACY**

Dear South Harrison Board of Education Employee:

Conner Strong & Buckelew is pleased to represent South Harrison Board of Education in helping to manage and administer your health benefits program. Headquartered in Camden, New Jersey, we are one of the country’s leading insurance brokerage/consulting firms. We have an unsurpassed commitment to supporting our clients with the highest level of customer service.

We know it is often difficult to fully understand your health benefits and use them properly—especially when insurance companies make more and more changes to the way plans are administered and how claims are paid. This is where our **Member Advocacy Program** can help.

The attached Member Advocacy card conveniently provides important contact information for each of your coverages (such as the toll-free customer service number, website address, and group number). If you have a question about your benefits or a claim payment, your first point of contact should always be the insurance company. However, if you cannot resolve your concerns or require special assistance, please contact a specially trained and experienced Member Advocate to intercede on your behalf:

- Call the Conner Strong & Buckelew Member Advocacy hotline at **800.563.9929**, or
- submit a request via the Conner Strong & Buckelew website: www.connerstrong.com/memberadvocacy

Please note that this card is in addition to and not a substitute for your medical/prescription and dental ID cards. Be sure to keep all of them in a safe place. For replacement or additional Member Advocacy cards, contact your Human Resources Department or call our toll-free number at **800.563.9929** for an electronic copy.

Conner Strong & Buckelew looks forward to providing any help you may need regarding your health benefits program. Please feel free to contact us if we can be of service.

Wishing you the best in health,

Conner Strong & Buckelew
